Corporate Governance – Islamic Perspective

11 March 2025 • 03:00 PM – 06:30 PM • Sheraton Dhaka

Greetings from ABC Center for HR Development [“ABC-CHRD”].

ABC Center for HR Development is a non-political not-for-profit professional body to promote, develop and implement Human Resource Development (HRD) Activities. Since 2016, ABC-CHRD has been engaged in organizing various Seminars, Workshops and Training & HRD Activities of National and International Standards. ABC-CHRD is one of the member organizations under Federation of Bangladesh Human Resource Organizations (FBHRO) and also affiliated with Federation of International Trainers and Speakers (FITS).

It is fact that every corporate entity must establish good corporate governance. For the interest of the investors in the capital market of Bangladesh, Bangladesh Securities and Exchange Commission (BSEC) for the first time in 2006 and thereafter in 2012 issued Corporate Governance Guidelines which was superseded in 2018 by existing Corporate Governance Code containing conditions imposed on ‘comply’ basis upon all entities listed with stock exchanges in Bangladesh. Insurance Development and Regulatory Authority (IDRA) issued “Insurer’s Corporate Governance Guideline” which was made effective from 19 October 2023. Moreover, being the regulatory authority of the money market, Bangladesh Bank from time to time issued notification aiming to establish good corporate governance in the Banking Companies and Finance Companies.

Awareness of importance and benefits of establishing good corporate governance is essential side by side issuance of laws and making their compliance mandatory in order to establish, or enhance the practice of, good corporate governance in corporate entities. In addition to that knowledge about religious guidance with respect to establishing good corporate governance may become supplementary to willful compliance with the mandatory provisions. As such, having discussion on Guidance of Islam regarding good corporate governance is a demand of the time.

Considering the demand of time, ABC-CHRD is holding a Seminar on “Corporate Governance – Islamic Perspective”. **Mr. Mohammad Abu Bakar Siddique, Member (Non-Life)** of Insurance Development and Regulatory Authority (IDRA) and **Mr. Md. Apel Mahmud, ACII (UK), Member (Life) of IDRA** have given consent to grace the seminar as Chief Guest and Chief Discussant respectively. The Seminar will be chaired by **Dr. Md. Musharrof Hossain FIPM, President of FBHRO** while **Mr. Mahtab Uddin Ahmed FCMA**, President of The Institute of Cost and Management Accountants of Bangladesh (ICMAB) and **Mr. M. Nurul Alam FCS, CCEP-I, CGIA**, Acting President of Institute of Chartered Secretaries of Bangladesh (ICSB) shall be the Special Guests and **Mr. S A Rashid, FIPM, FCS**, a Corporate Governance Expert, will make Keynote Presentation. The event will be graced also by representatives from other regulatory authorities, corporate leaders and professionals from different corners as guests and discussants. Executives of all levels, professionals, academicians and students shall be benefitted by participating in this seminar. Tentative Schedule and related information are given herewith.

ABC-CHRD encourages Corporate Entities and others to become Sponsor of the event as promotional support or as a part of CSR or Welfare Initiatives and nominate delegates, and invites individual professionals, academicians and students to take part in the seminar.

We believe that the participants as well as their nominating organizations and the sponsors shall be benefitted from making investment in human capital through this program.

Best Regards

Mohammad Misbah Uddin AIPM
Chief Operating Officer, ABC-CHRD
